Letter of Support by the Home Institution

Letter of Support for _____¹

In my capacity as head of _____² at _____³, I fully support the candidate's application for a research mobility fellowship under WP 17 'ERN RD training and support program' of the EJP-RD Programme. He/She will travel to _____⁴ to realize the Research Project _____ (proposal title).

I hereby confirm that I am familiar with the contents of the proposed Research Project Plan⁵ and that they are in line with the position and work/research experience of the applicant. The planned research mobility is relevant in the context of the applicant's position at our institution and benefits the interests of our unit/department.

Following the completion of the research mobility, the candidate will resume his/her position at our institution.

Name: _____
(BLOCK letters)

Date: _____
_____ Signature

Stamp (home institution/department):

¹ Name of the applicant

² Indicate the name of the unit/department you head; the applicant needs to hold a position at this unit/department

³ Indicate the name of your institution

⁴ Indicate the name of the host institution

⁵ The Research Project Plan is a text which lists the research/teaching/training activities the staff applicant plans to carry out during the mobility period at the host institution. The Letter of Support (=this present document) must only be signed if the Research Project Plan has been provided by the applicant for your evaluation.
