

Agenda - Workshop “Advances in diagnostic and therapeutic methods for lymph flow abnormalities”, Nijmegen, the Netherlands; 9-10 September 2021

8th sept		
<i>Social evening</i>	<i>Walking dinner, hotel Manna</i>	
9th sept		
DIAGNOSIS of central lymph flow disorders		
Introduction and chair	Willemijn Klein, pediatric radiologist Radboudumc	9.00-9.15
Historical overview	Caroline van Schaik, PhD candidate	9.15-9.30
Current issues in lymphangiography	Leo Schultze Kool, interventional radiologist Radboudumc	9.30-10.00
Symptoms of central lymphatic disease	Jos Draaisma, pediatrician Radboudumc	10.00-10.30
<i>Coffee break</i>		
MR lymphangiography techniques	Dr Willemijn Klein, radiologist Radboudumc	11.00-11.30
Non-contrast MR lymphangiography	Lionel Arrivé, radiologist Paris	11.30-12.00
Lymphangiography	Jan Jaap Janssen, interventional radiologist Radboudumc	12.00-12.30
		lunch
Non-contrast MR liver lymphangiography	Dr Claus Pieper, radiologist Bonn	13.30-14.00
Contrast-enhanced lymphangiography of liver and mesentery	Prof Max Itkin, interventional radiologist HUP Philadelphia (digital presentation)	14.00-14.30
<i>Tea break</i>		
Diagnosing primary lymphedema	Robert Damstra, dermatologist Nije Smellinghe	15.00-15.30
Lymphoscintigraphy	Dr Marcel Janssen, nuclear medicine Radboudumc	15.30-16.00
Indocyanine IC view	Tim de Jong, plastic surgeon Radboudumc	16.00-16.30
Closing discussion	Willemijn Klein	16.30-17.00
<i>Dinner</i>		

10th Sept THERAPY of central lymph flow disorders		
Introduction and chair	Leo Schultze Kool, interventional radiologist Radboudumc	9.00-9.10
Embolization techniques	Par Gerwins, interventional radiologist Uppsala Sweden	9.10-9.40
Venolymphatic anastomosis	Dietmar Ulrich, plastic surgeon Radboudumc	9.40-10.10
<i>Coffee break</i>		
Fetal and neonatal therapy	Willem de Boode, neonatologist Radboudumc	10.45-11.15
Non invasive treatment	Robert Damstra, dermatologist Drachten, the Netherlands	11.15-11.45
Medical treatment	Maroeska te Loo, pediatrician Radboudumc	11.45-12.15
<i>Lunch</i>		<i>12.15-13.15</i>
Patient group representation	Aaike v Oord, LGD alliance	13.15-13.30
Cases by participants Interactive session, interpretation of lymphangiography	Friedrich Kapp, pediatrician, Freiburg Wibke Uller, interventional radiologist, Freiburg	13.30-14.30
<i>Tea break</i>		<i>14.30-15.00</i>
Test	Willemijn Klein	15.00-15.30
Closure	Willemijn Klein	15.30-15.45
