

Draft Agenda –

CDH1 related hereditary diffuse type gastric cancer: from preventive total gastrectomy to optimal endoscopic surveillance

Radboudumc, Nicolaes Tulp zaal, route 606 (floor -1)

Geert Grooteplein Zuid, Nijmegen

October 12th and October 13th 2023

Day 1

Session name/Topic	Speaker	Time
THE BASICS/INTRODUCTION		
Welcome and opening on behalf of ERN Genturis	Prof Hoogerbrugge Dr Bisseling, Dr van der Post, Dr van Dieren	9.00-9.45 (9.30-9.45 opening)
Quiz; testing your knowledge	Dr Bisseling	9.45-10.15
Lecture: Hereditary diffuse type gastric cancer syndrome	Dr Bisseling	10.15-10.45
Lecture: CTNNA1 and type 1-2-3	Dr van Dieren	10.45-11.15
Lecture: Pathology in HDGC	Dr van der Post	11.15-11.45
LUNCH BREAK		
ENDOSCOPY		
Lecture : Artificial Intelligence in endoscopy	Dr Di Pietro (Cambridge)	12.45-13.30
Discussion : random vs targeted biopsies	Dr Bisseling	13.30-14.15
COFFEE/TEA BREAK		
Discussion : endoscopic and histologic characterisation of lesions	Dr van Dieren and Dr van der Post	15.00-15.45
IN PRACTICE		
(two groups)		
Endoscopy or Pathology		16.00-16.30
Pathology or Endoscopy		16.45-17.15
DINNER		
18.30-xxx		

Day 2.

Session name/Topic	Speaker	Time
PATIENTS AND ABSTRACTS		
Meet the patients	Dr Bisseling/van der Post/v Dieren	9.30-10.00
Abstract session 1: Research questions to unravel	Input from participants	10.00-10.45
Abstract session 2: Difficult cases	Input from participants	10.45-11.30
LUNCH BREAK		
		11.30-12.30
INNOVATION AND NEW INSIGHTS		
Lecture : Artificial intelligence in HDGC - pathology	Robin Lomans, MSc, PhD trainee	12.30-13.15
NEW : Molecular characterisation of HDGC	Lars Kemp, MSc, PhD trainee	13.15-14.00
NEW : Variants and fenotype	Prof Oliviera	14.00-14.45
COFFEE/TEA BREAK		
		14.45-15.15
CLOSURE		
Take home messages and Quiz: What did you absorb?	Dr Bisseling	15.15-15.45
Evaluation and closing	Dr Bisseling	15.45-16.15
INFORMAL DRINK		
		16.15-17.00
