Grant agreement number 825575

Del 2.18

Third List of research and innovation needs requiring medium- or long-term approach and related Task Forces

Organisation name of lead beneficiary for this deliverable:

Partner 1 – INSERM

Due date of deliverable: month 48

Dissemination level:

Public

The previous deliverable "(DEL 2.17 "Second List of research and innovation needs requiring medium- or long-term approach and related Task Forces") was submitted in March, the 12th, 2021. The goal of the Del.2.17 is to provide guidance only for research and innovation needs that require medium (2021-2023) and long-term (next phase of the EJP RD – beyond 2023) actions and that could be transformed into future Task Forces.

This Deliverable D2.18 due on 30/06/2021 did not identify any new research and innovation needs requiring medium- or long-term approach and related Task Forces".
